

Help!

The City of Durango needs your help to conduct our
2013 Bicycle and Pedestrian Counts

- This year we will be counting at 9 locations
- Counts take place September 10, 11, 12 in two-hour shifts from 7-9am and 4-6pm.
- To volunteer to count in one or more locations, sign up here:

Or paste this link into your browser: <http://vols.pt/wZEyHz>

Having accurate data helps us to know how our infrastructure is being used and is necessary to secure grant funding for projects such as sidewalk repair, bicycle facilities, and transit system improvements.

For more information or assistance signing up, please contact Wade Moore at wade.moore@durangogov.org or (970) 375-4952

Thank You!
