

**become a durango DEVO fan!**

Devo is inviting YOU to become a part of our Devo Fan club. As one of our fans, you can choose which program you would like to support and at which level.

**why become a fan of devo?**

Devo serves over 200 youths in the community by teaching them the love of biking. We are a cycling program that serves not only our local youths, but the community. We create life-long cyclists by leading rides and guiding kids through skill development, goal-driven curriculum, team camaraderie, sharing the trails, and giving back to the community.

We also volunteer our time to 9R school's Bike Rodeos, Boys and Girls' Club, Adaptive Sports, Trails 2000 and the Four Corners Back Country Horsemen.

The mission of Durango Devo is to develop each individual, in a traditional team setting, into a life-long cyclist.

Devo Fan Club money goes directly into the program(s) of your choice to help fund practices, jerseys, scholarships, races, camps, etc.

*Developing life-long cyclists one ride at a time.*
